## EZ-RJ45 Kit Includes 100004 Crimp Tool and 50 connectors

100005 Price: \$179.00

- Features the patented EZ-RJ45 Crimp Tool for crimping RJ-11, RJ-12, RJ-45 and EZ-RJ45 connectors.
- Kits include the EZ-RJ45 Cat 5 connector.

The EZ-RJ45 termination kits are offered in a variety of packaging combinations for the installer that needs the complete EZ-RJ45 system. These kits are boxed or packaged in clamshell for economy and convenience. All kits include instruction sheet. Store these tools in your existing tool box or build your own custom kit with our nylon re-inforced zippered case. See part number 4001NPT.
