

Circuit Breaker (PTC) Protection 16 Circuits, 800ma Per Circuit

HPS1216UL Price: \$125.96

- High Output
 - 12 VDC, Adjustable to 13.2 VDC
 - 16 Outputs
 - Integral Surge Protection
 - 800 mA Per Output
 - 100V-240V Operation can be used anywhere in the world (w/ appropriate UL or foreign CE power cord)
 - On / Off Safety Switch with LED
 - Vented Housing for cooler operation
 - 3 Conductor power cord included (US type)
 - 16 Individual PTC Output protection w/led power indication
 - Unique pre-drilled top mounting flange allows easy
 - Wall Mounting without access to inside of the unit
 - Overall dimensions:: 11.25" x 11.25" x 3.75"
 - Includes multi-lingual instruction sheet
 - Weight: 7.375 LBS
 - Auto reset
 - Indoor
