

Surge Protection 18 Input Video Surge & Multiplexers. Rack Mounted

RP-18V Price: \$298.95

- Protects up to 16 cameras
- BNC connections
- Designed to fit onto a standard 19" rack or onto a WB19-0206N mounting bracket
- 1.5 Clamping voltage
- Clamping response time is less than 1 nS.
- 400ma overcurrent protection
- Each input is protected by multiple technologies. Overvoltage protection in the input circuitry and self-resetting PTCs protect against overcurrent.
