White Balance	Auto
Power Source	DC12V 600mA
Dimension	113(W) x 66(H) x 83(D)mm
Weight	600g

# Wireless Setup

**1. Remove all contents of the box.**

**2. Slide the visor from the top of the camera**

**3. Remove the screws with the Allen key provided in the box.**

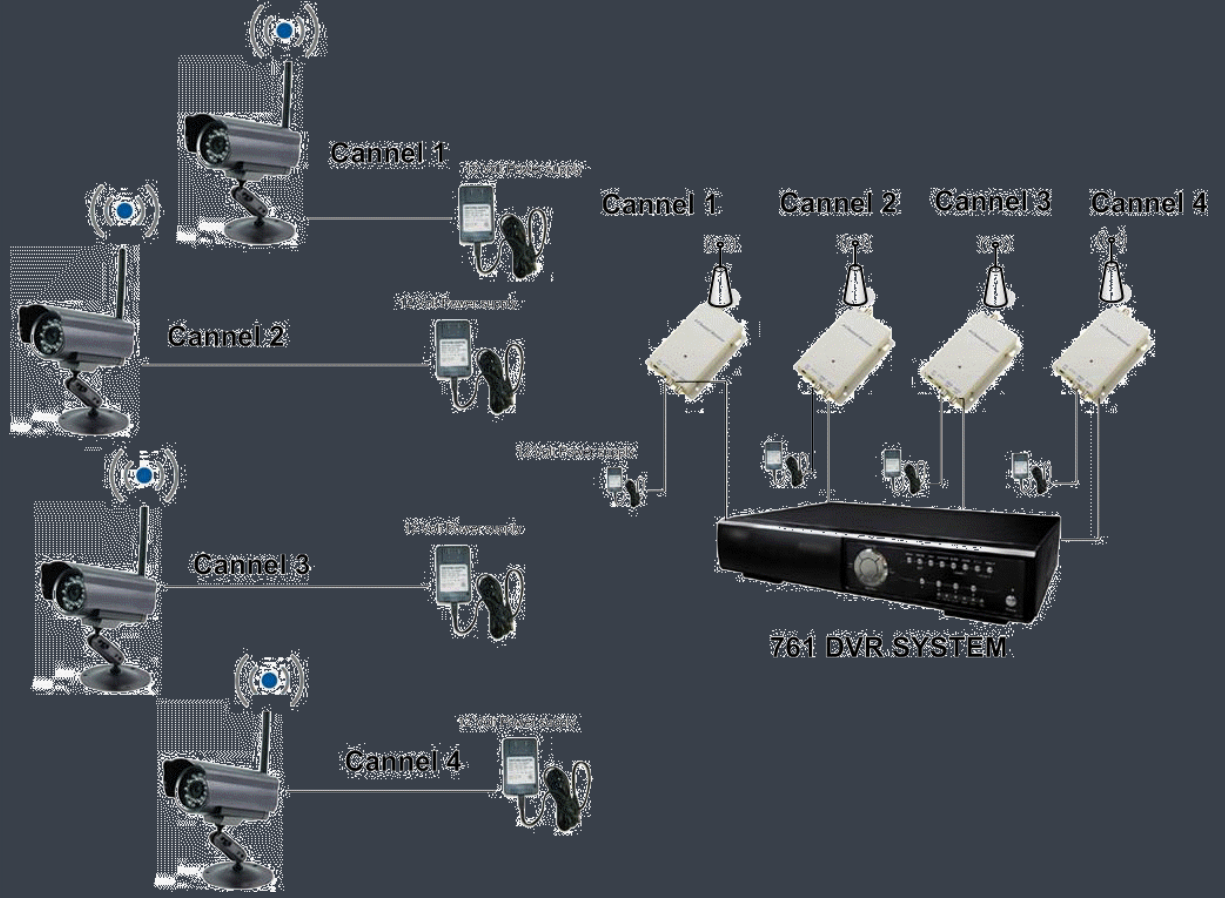

**4. Pull the back cover gently to expose the channel switch; there will be a small black tab. By factory default it will be set to 1, using a fine screwdriver move accordingly to another Channel.**

**5. Tighten the cover back to the camera.**

**6. Finally set the corresponding channel on the receiver.**
