

## Multi technology surge protection

**ZP-9V** Price: \$228.90

- Protects up to 9 cameras
- BNC connections
- Enclosed in a plastic case and suitable for desk mounting
- 1.5 Clamping voltage
- Clamping response time is less than 1 nS.
- 400ma overcurrent protection
- Each input is protected by multiple technologies. Overvoltage protection is provided by sidactors while current limiting circuitry and self-resetting PTCs protect against overcurrent
